# SENIOR SCHOOL ENTRY GUIDE

2024

## KEY DATES & DEADLINES FOR SENIOR SCHOOL ENTRY IN 2024

NB Events/key dates are highlighted in yellow

YEAR 7-10	Deadline Dates
Whole School Open Morning (Senior, Junior & Pre-Prep)	14 October 2023
INTERNAL: Deadline for <b>King Edward's Junior School (KEJS)</b> completed Year 7 applications <i>To request a Bursary Form: Please indicate on the Online Application Form, that you wish to apply for a Bursary under the 'Financial Assistance &amp; Awards' tab. A separate bursarial application form will be sent to you.</i>	27 October 2023
Activity Morning (for local Year 6 children)	11 November 2023
EXTERNAL: Year 7 deadline for completed application forms with registration fee <i>To request a Bursary Form: Please indicate on the Online Application Form, that you wish to apply for a Bursary under the 'Financial Assistance &amp; Awards' tab. A separate bursarial application form will be sent to you.</i>	27 November 2023
EXTERNAL & KEJS: Year 7 deadline for completed <b>Special Talent Award</b> applications	27 November 2023
Deadline for <b>all</b> completed <b>Year 7 Bursary applications</b>	8 December 2023
Year 7 Teach-in	9 December 2023
Year 7 interviews (Internal KEJS pupils)	Oct/Nov 2023
Year 7 interviews (External)	Dec 2023/Jan 2024
Music Special Talent Award Assessments	w/c 8 and 15 January 2024
Art, Drama & Sport Special Talent Award Assessments	9 & 16 January 2024
Main entrance examination for Years 7 to 10	27 January 2024
Deadline for <b>Year 7 offer acceptance</b>	1 March 2024
YEAR 12	Deadline Dates
Sixth Form Open Evening	13 October 2023
Deadline for completed Year 12 applications <i>To request a Bursary Form: Please indicate on the Online Application Form, that you wish to apply for a Bursary under the 'Financial Assistance &amp; Awards' tab. A separate bursarial application form will be sent to you.</i>	27 October 2023
Deadline for all completed <b>Year 12 Bursary applications</b>	6 November 2023
Year 12 interviews	18 November 2023
Year 12 offer letters sent out	Early December 2023
Deadline for <b>Year 12 offer acceptance</b>	15 December 2023

Within this guide you will find all the information needed to understand the process of applying to King Edward's **Senior School** and **Sixth Form**.

If you have any queries do please contact our Admissions office on **01225 820399** or by email **admissions@kesbath.com**, who will be happy to answer any of your questions.

# OPEN DAYS AND OTHER EVENTS

## Sixth Form Open Evening

Friday 13 October 2023

The Sixth Form Open Evening will be held from 6.00-8.00pm for all prospective Year 12 entrants and their parents, including current Year 11 KES pupils. Families will have the opportunity to join a tour, visit departments and speak to teachers and current Sixth Form pupils. The Headmaster, Mr Martin Boden, will present at 6.05pm and 7.00pm.

Event registration will open over the summer holidays on our website: [www.kesbath.com](http://www.kesbath.com).

## Senior School Open Morning

Saturday 14 October 2023

During the Open Morning, families will be offered an individual tour of the Senior School site, conducted by pupils, showing all aspects of school life and our wide range of fantastic facilities. The morning will start at 8.30am and end at 1.00pm. There will be the opportunity to meet with staff in all subject areas.

Prospective parents and children are welcome to attend in family groups. The Headmaster, Mr Martin Boden, will speak at 10.30am and again at 12.30pm.

Open events at the Pre-Prep and the Junior School also take place during this same morning.

Event registration will open over the summer holidays on our website: [www.kesbath.com](http://www.kesbath.com).

## Activity Morning

Saturday 11 November 2023

Children who will be in Year 6 in November 2023 in local schools and at King Edward's Junior School are invited to spend the morning at King Edward's, from 8.45am-1.00pm. There will be a wide range of activities, with ample opportunity to sample the many different aspects of secondary school life.

Full event details and a booking form will be published on our website by the start of the Autumn Term: [www.kesbath.com](http://www.kesbath.com). Places must be booked in advance of the event. The closing date is Monday 6 November 2023.

## Sixth Form Main Interview Day

Saturday 18 November 2023

Please see the section "Entry into Year 12" on the next page.

## Year 7 'Teach-in' Session

Saturday 9 December 2023

We will be holding a special 'Teach-in' session between 9.00am and 12.15pm to help Year 7 applicants to the Senior School prepare for the KES Entrance Examination. Senior staff will put the children at ease, explain what is involved in each paper and give them sample questions to practice. Refreshments will be provided during the break. This session is open to current King Edward's Junior School pupils as well as those applying from other schools. All prospective entrants are strongly encouraged to attend.

## Senior School Entrance Examination Years 7, 8, 9 and 10

Saturday 27 January 2024

All children sitting for examinations on this day should report to the Wroughton Theatre by 8.45am, via the Middle Entrance on North Road. Please see opposite page for further details.

# ENTRY PROCEDURE

All children seeking entry into King Edward's School will need to sit an Entrance Examination for Years 7, 8, 9 and 10 (please see separate section for entry into Year 12). Please check with our Admissions team the availability of places for Years 8-10, prior to starting an application form, as spaces are limited. In all cases, please complete the Online Application Form and submit it together with an Application Fee of £100 (Year 6 King Edward's Junior School pupils do not have to pay this fee, as this was already paid on entry into the Junior School). Once the Application Form is received, we will contact the child's current school to obtain a reference. It would be advisable for parents to inform their child's school that they are making an application to King Edward's.

Our Online Application Form and additional helpful Admissions information can be found on our website at: [www.kesbath.com/admissions/admissions-process/admissions-registration](http://www.kesbath.com/admissions/admissions-process/admissions-registration)

## Entry to the Senior School Years 7, 8, 9 and 10 Entrance Examination

Saturday 27 January 2024

If you are new to the School and wish to register your child for the Examination, please **complete and submit the Online Application Form, together with the Application Fee, by Monday 27 November 2023.**

Please note that those applying for Year 7 from **King Edward's Junior School** will have to complete the Online Application Form for their child **by Friday 27 October 2023.**

Once we have received the completed application form, we will send further information. Prior to the Entrance Examination, interviews for external Year 7 places will take place from December 2023 - January 2024. By mutual agreement with the other Bath independent schools, parents will be asked to accept a subsequent offer of a place **by 1 March 2024**, although earlier responses are appreciated.

Pupils in **Years 8-10** will be called for two interviews (one will be in a modern language, taken from French, German or Spanish) within two weeks of taking the examination.

## Entry into Year 12 Interview Day

Saturday 18th November 2023

Places for entry into Year 12 will be offered on the basis of a satisfactory report from the pupil's present school and a series of short interviews with the Headmaster or one of the Deputy Heads, the Head of Sixth Form or a Senior Sixth Form Tutor, and two subject interviews with Heads of Departments. Applicants are also required to reach a minimum target for entry, consisting of:

- GCSE grade 4 or IGCSE grade 4 or C or above in English Language and Mathematics (grades 6 or B or above are preferable).
- a minimum point score of 54 (taken from the 9 best subjects including English Language and Mathematics) with points taken at face value for numerical grades or for alphabetical grades as follows: 8 points for an A\*, 7 for an A, 6 for a B, and 5 for a C. Short courses and grades below 4 or C are not counted for the purposes of entry scores.

It is recommended that pupils also gain GCSE grade 7 or IGCSE grade 7 or A or above in the subjects chosen for A Level or in allied subjects for A Levels that were not studied at GCSE (eg Physics for Electronics).

**The main Interview Day will be on the morning of Saturday 18 November 2023 and the closing date for applications is Friday 27 October 2023.**

Year 11 KES pupils are **not** required to complete the Sixth Form Application Form or attend for interview but must still meet the same examination entry requirements.

# INFORMATION FOR YEARS 7, 8, 9 & 10

All children applying for Year 7, 8, 9 and 10 entry will sit papers testing Mathematics, Verbal Reasoning and English, which will be divided into Comprehension/Literacy Skills and an extended piece of Creative Writing for Year 7, and a piece of Directed Writing and an Essay for Years 8 to 10.

## For entry into Year 7

### Mathematics – 50 minutes

A specimen Mathematics question paper will be sent to all Year 7 applicants.

The entrance examination contains **two** sections:

- **Section A:** Multiple Choice (approximately 40% of the available marks)
- **Section B:** Written answers (approximately 60% of the available marks)

The examination is designed to contain content familiar to pupils working on topics from Levels 4 and 5 of the National Curriculum, which includes the following general areas:

- **Number:** Pencil and paper arithmetic using all four operations, negative numbers, simplifying fractions, simple ratio and proportion problems, percentage/fraction of an amount, simple rounding, factors, multiples, primes, square numbers.
- **Algebra:** Coordinates in all four quadrants, number sequences, using formulae with two operations, inverse operations.
- **Shape:** Area/perimeter of a rectangle, areas of triangles and parallelograms and simple compound shapes, symmetry, metric units, identifying shapes, angles in a triangle.
- **Handling Data:** Use of mean, median, mode and range, interpreting bar and pie charts, interpreting real-life graphs.

*Please note: calculators are NOT to be used in the Mathematics examination*

### Verbal Reasoning – 50 minutes

A standardised test is used, which takes into account the candidate's age on the day of the examination.

### English – 50 minutes

The English Examination contains two sections:

- **Section A:** Comprehension (25 minutes)
- **Section B:** Creative Writing (25 minutes)

The comprehension task will ask pupils to respond to a passage of fiction writing. There will be a mixture of short and long answers required assessing pupils' ability to select information from the text, infer and identify technical features and literary devices used by the writer. They will be expected to comment on the meaning and effects of language choices.

Pupils will be able to choose between two tasks in the Creative Writing section. They will be assessed on their ability to respond inventively to the task as well as on the quality and accuracy of their writing. Pupils are expected to craft their writing for effect using literary techniques / imagery, advanced vocabulary and a range of sentence types and structures as well as organising their ideas logically. Marks will be available for accuracy of spelling, punctuation and grammar as well as content.

## For entry into Years 8, 9 and 10

### Mathematics – 1 hour

A specimen Mathematics paper will be sent to all Year 8, 9 and 10 applicants.

For each year of entry, a basic skills Mathematics paper will be set. **In all examinations a calculator is NOT to be used.**

In the Entrance Exam, we are trying to assess several things:

- a) Understanding of the work covered
- b) Potential to gain from our course
- c) Overall mathematical awareness

The Mathematics Entrance Exams for Years 8, 9 and 10 have been designed to be, as far as possible, independent of the variations in topic coverage in different schooling systems. They assess competency in basic number skills and algebraic manipulation.

For successful applicants, the entrance exam will be used to make an initial allocation to a particular set, although this is automatically reviewed after a term.

**Entrants to Year 8:** We expect applicants to have a good understanding of topics up to Level 5 in the National Curriculum. The entrance exam will include questions on basic arithmetic, fraction arithmetic, simplifying algebraic expressions, solving equations, percentages and ratio.

**Entrants to Year 9:** We are looking for a good understanding of topics in Level 5 of the National Curriculum and also some coverage of Level 6. The entrance exam will assess basic number skills including percentages, ratio and calculations involving fractions. Algebra topics will include solving equations with unknowns on both sides and those which require some simplification first. The exam will include topics covered in the "Entrants to Year 8" section above.

**Entrants to Year 10:** We expect applicants to have a good knowledge of the topics contained in Level 6 of the National Curriculum. The entrance exam will assess competency in the same number skills and algebra, including multiplying out single brackets. The exam will include topics covered in the "Entrants to Year 9" section above.

### Verbal Reasoning – 50 minutes

A standardised test is used, which takes into account the candidate's age on the day of the examination.

### English: A Piece of Directed Writing and a Piece of Creative Writing (45 minutes each)

Each candidate will be required to do two tasks. In each section, they will have a choice of three questions.

They should aim to write 1-2 sides of A4 for each:

- After reading a stimulus text, write a persuasive speech, letter or article using information from the text as well as their own ideas.
- Write a creative piece (narrative or descriptive). Candidates will be marked on content as well as quality of written expression and organisation of ideas.

### English at KES

In the English department we are committed to enabling every pupil to find a voice to express their ideas. Our teachers share their love of the written word through our varied and lively curriculum and equip pupils with the skills to make them confident and articulate communicators. Furthermore, our extra-curricular provision means that English isn't confined to the classroom and it ensures that budding writers have ample outlets to share their passion for the written and spoken word.

### Language Interviews

There will not be a written language examination. However, candidates should bring some recent work and expect to answer a few questions in either French, German or Spanish. The questions will not be too demanding, as we wish to gain an idea of the candidate's ability and general confidence in the language. Please note that pupils at KES are expected to study two modern languages up to the end of Year 8 and at least one to GCSE level.

### Interviews for Applicants to Years 8, 9 and 10

All candidates will be invited to attend an interview with a Senior member of staff within two weeks of sitting the Entrance Examinations.

# GENERAL INFORMATION

## Activities Week

Activities Week is when pupils experience a residential trip (in the UK or Europe) or enjoy a range of activities which are school based. **This week is compulsory for all Year 7-10 pupils and will be an additional cost to parents.** The cost of trips varies year to year.

## Lunches

Lunches are booked on a termly basis and are served in a canteen system with a choice of freshly prepared hot and cold meals made on the premises by our own catering staff. The catering team aims to offer a wide variety of dishes, using seasonal and locally sourced ingredients wherever possible.

Additionally, pupils in the Senior School can also select their own packed lunch from a variety of menu options including sandwiches, fresh fruit, yoghurts, and healthy snacks. The Willett Dining Hall in the Wessex Building provides pupils with ample space to sit with their friends in the light and spacious dining area, with additional seating on the terrace outside. The School operates an 'opt-out' policy for lunch, and those not wishing to have school lunch should inform the Accounts team in writing.

## School Uniform

All pupils in Years 7-11 are expected to wear the school uniform. The uniform and games kit, which is as simple and inexpensive as possible, is bought from John Moore Sports at 2 Argyle Street, Bath, BA2 4BA and they can be contacted on [sales@johnmooresports.co.uk](mailto:sales@johnmooresports.co.uk) (T: 01225 466341). Please contact the store before making a visit. The uniform for Sixth Formers is specified in the Senior School Rules & Expectations booklet.

There is also a **Nearly New Uniform Shop**, run by KES Parents, where sales of nearly new uniform and games kit are held through the year. Please visit our website: [www.kesbath.com/kes-community/nearly-new-uniform](http://www.kesbath.com/kes-community/nearly-new-uniform) for further information.

## School Travel

Please look on our website for the most up to date and comprehensive information:

[www.kesbath.com/admissions/travel-to-school](http://www.kesbath.com/admissions/travel-to-school)

# FINANCIAL INFORMATION

## Fees Per Term

SCHOOL AND LUNCH FEES	£
Junior (Years 3-6)	4,470
Senior (Years 7-11)	5,650
Sixth Form (Years 12-13)	5,750
School Lunch	275-295

INSTRUMENTAL MUSIC FEES	(all years) £
New to an Instrument - Introductory Taster	80
Termly Charge	295
Instrument hire	70

*Fees are usually set annually and charged to parents three times a year, for payment at the start of each term.*

## Place Acceptance Fee and Conditions

Parents of successful candidates will be asked to pay a **non-returnable Acceptance Fee of £500** (except those applying from KES Junior School, who have already paid this) when accepting the offer of a place, which will be set against the pupil's final account on leaving. Should a child subsequently fail to take up a place, the acceptance fee will be forfeit. **If less than one term's notice is given that the place will not be taken up, there will be a liability for a full term's fees, less the amount of the acceptance fee.**

The School operates annually on a three termly basis. A 'term', for this purpose, is deemed to start on 1 September for the Autumn Term, 1 January for the Spring Term and 1 April for the Summer Term.

Fees charged cover curriculum tuition and related expenses. They do not include lunches, school trips, and some enrichment activities or when pupils spend time away from School during Activities Week, for which a separate charge is made.

## Insurances

**Fee Insurance:** The School operates an 'opt-in' policy for the School Fees Protection Scheme, currently 0.73% of fees. This is to safeguard the fees paid by parents in the event of the absence of a pupil through illness or accident. The Governors' policy is that refunds cannot be given other than through the Protection Scheme.

**Personal Accident Insurance:** All pupils are automatically covered by the Chubb Pupils' Personal Accident Insurance Scheme at no extra charge.

**Insurance of Pupils' Property:** You must make your own insurance arrangements if you require cover for your child's personal property while at school.

## Year 7 Scholarships and Awards

### Year 7 Academic Scholarships

A limited number of Academic Scholarships will be awarded to those pupils who excel in the main Year 7 Entrance Examinations in January. Families do not need to apply for these. Academic Scholarships attract a fee remission of 10%.

### Year 7 Special Talent Awards

These may be awarded to candidates who show **outstanding talent in one** of the following areas: Art, Drama, Music and Sport. Special Talent Awards attract a fee remission of 5%.

If you would like your child to be considered for an award in **one** of these areas, **please read the Special Talent booklet 'Year 7 Special Talent Award' BEFORE** completing the relevant section/ additional phase on the Online Application Form, ensuring that you upload the relevant endorsement(s) from either your child's respective Headteacher, Tutor or Club Coach, confirming their abilities and standards. The deadline for the completed application is **Monday 27 November 2023**. Please note that we will not be able to consider any Special Talent applications after this date. Those pupils applying for a Special Talent Award will be invited for a separate interview and assessment, aimed at identifying outstanding talent in the relevant field. Dates and times of each Special Talent interview can be found in the Special Talent booklet.

# FINANCIAL ASSISTANCE FOR PARENTS AND BURSARIES

Bringing your daughter or son to King Edward's School for their education is a decision which will benefit them hugely for the rest of their lives. However, it also represents a significant financial commitment on your part, which should not be underestimated.

At King Edward's School, we recognise this commitment and always aim to obtain the best possible value out of the fee income we receive in the provision of an excellent all-round education for our pupils. As a Charity, the School is non-profitmaking, and all surpluses are therefore reinvested in the premises, facilities, resources and equipment needed to support that education in all its aspects.

Since its foundation in 1552, the School has a long and proud tradition of providing education for able pupils from all backgrounds, and a main purpose of the Charity is to provide financial support for parents who are unable to afford the full fees towards the cost of a King Edward's education through a programme of means-tested bursaries for entrants to the Senior School. Currently, around 20% of Senior School pupils receive some kind of financial support.

## Means-tested Bursaries

### Year 7 Bursaries

Each year, the School awards Entrance Bursaries of amounts ranging between 10% and 100% of the annual fee, with any award assessed on the family's individual financial circumstances and ability to pay. All pupils applying to join the School in Year 7 are eligible to apply.

Once awarded, unless parental circumstances change, Entrance Bursaries can normally continue through the child's time at the School up to and including Year 13, subject to an annual review. Bursaries may be varied up or down if parents' financial circumstances alter.

**When completing the Online Application Form, please indicate under the 'Financial Assistance and Awards' tab, that you wish to apply for a Bursary.** A bursary application form will then be sent to you for completion.

**The deadline for ALL completed Year 7 Bursary Applications is Friday 8 December 2023.**

### Year 12 (Sixth Form) Bursaries

As well as the existing Year 7 Entrance Bursaries which can continue into the Sixth Form, further assistance is available for new entrants into the Sixth Form. These means-tested bursaries can range from 10%-100% of the annual fee. Whilst these bursaries are primarily aimed at external applicants from state schools, consideration will also be given in exceptional circumstances to applications from existing pupils not currently in receipt of a Year 7 Entrance Bursary.

**When completing the Online Application Form, please indicate under the 'Financial Assistance and Awards' tab, that you wish to apply for a Bursary.** A bursary application form will then be sent to you for completion.

**The deadline for ALL completed Year 12 Bursary Applications is Monday 6 November 2023.**

Please note that the forms are in line with the generally accepted principles of HMC Schools regarding making means-tested awards.

## Means-tested Bursary Decisions

Bursary awards are made on the basis of an assessment of the family's financial circumstances, including their savings, investments and realisable assets, as well as their income, major outgoings, the size of their family, any other persons dependent on them and other similar factors.

All assessments and awards are determined jointly by the Headmaster and Bursar, and decisions are communicated at the same time as the offer of a place at the School.

### Sibling Discount

We do not offer automatic sibling discounts, but we do take into account any siblings at the School whenever we receive applications for financial assistance through the means-tested bursary award process. Our policy is to keep the school fees as affordable as possible whilst providing a high-quality education, and to direct our limited bursarial resources to situations of most need.

# CURRICULUM

Our curriculum ethos is to provide pupils with experience of a wide range of subjects in Years 7-9, from which they can then choose their GCSE options, with further specialisation at A Level. In Years 7 and 8 all pupils are taught 19 subjects. An options scheme in Year 9 allows some choice to be made whilst also offering the opportunity to try new subjects. By the time choices for GCSE are made, pupils have been able to find subjects which suit their strengths and enthusiasms. At A Level, additional subjects are on offer, allowing pupils to choose from around 30 courses. Our intention is to allow pupils choice and flexibility so that they can perform to the best of their ability in their chosen specialisms. The vast majority will then continue to study one (or perhaps two) of these at university. Underlying all of this is a strong system of pastoral care which guides pupils through the pressures of academic study and examinations.

## Year 7

In Year 7, all pupils take a common curriculum consisting of Art, Biology, DT, Chemistry, Drama, English, Games, Geography, History, IT/Computing, Latin, Mathematics, Music, PE, Physics, PSHE, Religious Studies, and **two** from French, Spanish and German.

## Year 8

In Year 8, all Year 7 choices are continued.

## Year 9

In Year 9, an element of choice is introduced. In the current system, four subjects (including at least one Modern Foreign Language) are chosen from the list below. In addition, a course in Business and Economics is introduced to better prepare pupils for the wider world:

Art
Drama
Design and Technology
French
German
Computer Science

Latin or Latin with Greek
Music
Spanish

## Years 10 and 11

All pupils usually take nine or ten GCSEs/iGCSEs depending on their Science allocation. Those pupils who study Latin and Greek may potentially take eleven subjects. In Years 10 and 11, all pupils continue to study English Language, English Literature, a Modern Foreign Language, Mathematics, Religious Studies (non-examined), PSHE, Science (**either** Science and Additional Science **or** Triple Award) and Games. They have a guided choice of one Modern Foreign Language and three others (of which one could be a second language) from the list below:

Art
Business
Computer Science
Design and Technology
Drama
French
Geography
German
History
Latin or Latin with Greek
Music
Physical Education (Academic)
Religious Studies
Spanish

*Please note that the curriculum in Years 7 and 8 and the Options Schemes in Years 9 and 10 are reviewed regularly and may be subject to change and availability.*

## Years 12 and 13

The current usual pattern of advanced study is to take four subjects in Year 12 (five, if studying Further Maths), to which will be added PSHE/ Careers and Higher Education Guidance, and also Games. Although a good number of pupils continue with all of their subjects into Year 13, it is more usual to reduce to three (or four, if studying Further Maths) for the final year of A Level study. Subjects are chosen according to a choice scheme, which permits most combinations.

Subjects currently offered at A Level are:

Art
Biology
Business Studies
Chemistry
Classical Civilisation
Classical Greek
Computer Science
Design and Technology
Drama
Economics
Electronics (a one-year course offered at AS Level only)
English Language
English Literature
French

Further Mathematics
Geography (Human & Physical)
German
Government & Politics
History
Latin
Mathematics
Music
Philosophy
Photography
Physical Education
Physics
Psychology
Religious Studies
Spanish

*This range of subjects can vary slightly from year to year and is not guaranteed. Sometimes subjects do not run if insufficient numbers of pupils opt for them. Some subjects are still to be reformed and the new specifications are not yet published, making it hard to determine if they will be appropriate courses of study. Further details are available when choices are made in the Spring Term. If you require further details about specific subjects in the meantime, please contact the Registrar.*
